Why are you walking? #IAmAlum

"I walk to encourage & empower foster youth/ alum near and far and to show that they are not as alone as they may feel. I walk so I can be a part of an ever growing community of youth/ alum and show pride of being a part of it."

- Henry, Foster Care Alum

"It's so important for EVERY child to have consistency and someone they can count on in their lives. I've been blessed to not only be raised by but still have both bio parents together and active in my life... I believe that EVERY child should feel that same sense of security."

- Paras, Friend of Foster Care (Ally)
